

**Community Meeting  
Today! (Saturday July 17th, 4pm)  
tents in the field @ 43rd Avenue & Georgia Avenue**

**Learn how to join with neighbors to  
clean up dumping and fight crime!**

**Learn about a new Neighborhood Watch starting up in the Nations!**

**Learn about a new phone number to call to report dumping!  
(615-358-TELL)**

**Learn about a website where you can follow progress  
on cleanups in the neighborhood!  
([www.nationswatch.com](http://www.nationswatch.com))**

**Learn how neighbors have been working with Metro Public Works to clean up the  
alley, put in dumping signs, and have a camera installed to help catch dumpers!**

Hear the tale of toxic dumping on industrial land back in 2002, and how neighbors fought a waste transfer station there and forced a cleanup...

Hear the tale of how a scheme would turn that same residential land to INDUSTRIAL...

Hear how the property owner and his attorneys are trying to use a tale of trash dumping woe to close an alley and part of 43rd Avenue to “pave the way” for their INDUSTRIAL consolidation.

**We can't close every alley in the Nations.**

Come join your neighbors this afternoon in asking Councilman Buddy Baker to kill his road abandonment bill: neighbors are working together to clean up not just one corner lot, but the ENTIRE Nations neighborhood.
